PHILOSOPHY

The Smart Start Extended Day Staff will maintain a safe nurturing environment that promotes the physical, social, emotional, and cognitive development of the children while responding to their needs and the needs of their families. Children learn through concrete experiences, planning and making decisions, social interaction with peers and adults, and active participation. Children also need chances to make choices and time to relax and think. Play and experiences that encourage cooperative, social interaction are important parts of the Smart Start Extended Day Program. The Smart Start Extended Day Program is a place for your child to explore, create, invent, expand vocabulary and knowledge, experience, listen and be listened to, and share with peers and adults in a relaxed, caring atmosphere. We maintain a ratio of 13 children to 1 adult. The Smart Start Extended Day Staff are education specialists who care about your child. We are partners with parents/guardians and encourage your involvement and communication.

PURPOSE

The Smart Start Extended Day Program provides supervised group care for children by experienced staff. The Smart Start Extended Day Program is for school children in the elementary grades and runs from 7:00 am to the beginning of school each morning and from the end of school until 6:00 pm each afternoon on days that Brockton Public School is in session. Activities and experiences encourage children to be involved in enrichment and recreational programs.

PROGRAM

The Smart Start Extended Day Program provides a balance of physical, intellectual, emotional, and social experiences to meet the needs of the children. Activities include quiet and active play, homework assistance, individual and group activities, indoor play, outdoor activities and project making. Age and developmentally appropriate materials include art projects, manipulatives, books and games, teacher-prepared and approved thematic units, opportunities to explore hobbies, computer time and many other activities.

The Brockton Public School System does not discriminate on the basis of race, color, religion, national origin, age, sex, veteran's status, sexual orientation, gender identity or disability in admission to, access to, treatment in or employment in its programs and activities. Procedures to ensure statutory provisions are delineated in the Brockton Public School Procedures Manual.

HOURS

School days: 7:00 am to the beginning of school each morning and from the end of the school day through 6:00 pm each afternoon on days when Brockton Public School is in session. Vacations/holidays/summer: 7:00 am – 6:00 pm

STUDENT INFORMATION

Your child's information must be on file at the start of the program. There must be at least two contact people with valid phone numbers, who live locally and can pick up your child in case of an emergency.

CALENDAR

The Smart Start Extended Day Program operates on days that Brockton Public School operates, school vacations and some holidays. Please check the Smart Start Extended Day calendar at the end of this handbook.

DELAYED OPENING

The Smart Start Extended Day program will open at **8:00 am** at all sites when Brockton Public Schools has a delayed opening due to weather issues.

INCLEMENT WEATHER

If Brockton Public School is canceled, the Smart Start Extended Day Program will **not** operate. On a regular school day if snow is predicted for the afternoon, it is your responsibility to see that your child is picked up as close to dismissal time as possible. Phone calls and/or emails will be made to you if this goes into effect. If you anticipate poor driving conditions or you are unable to pick up your child in a timely manner, please contact someone who is nearby to come and pick up your child. Be sure to notify the Smart Start Extended Day Coordinator at the school your child attends if this person is not listed on your emergency form as someone authorized to dismiss your child. They will need to show identification to the Smart Start Extended Day Coordinator upon arrival. During the difficult driving months we want all children, parents/guardians and staff to arrive home safely. Announcements are made by **WBZ 1030 AM, Boston TV Stations, Connect Ed Calls** and www.brocktoncommunityschools.com for cancellations and all other updates. **Thank you in advance for your cooperation in this matter.**

REGISTRATION

A completed registration form is required each school year. The Smart Start Extended Day Program is separate from the Brockton Public Schools program. All questions and concerns pertaining to your child's participation and enrollment should be directed to the Smart Start Extended Day Coordinator during Extended Day times. School Administrators and school office personnel cannot register children for the Smart Start Extended Day Program.

TRANSPORTATION

It is the parents/guardians responsibility to provide for or arrange transportation.

ARRIVAL/DISMISSAL/NO CELL PHONE USE POLICY

Upon arrival parents/guardians must bring their children into the building and sign them in each morning using the designated entrance. At dismissal parents/guardians must sign their children out of the building each afternoon. The Smart Start Extended Day Program has a No Cell Phone Use Policy. It is in the best interest of your child and the Smart Start Extended Day Staff that the parent/guardian refrains from cell phone usage in the building during the arrival/dismissal time. This policy will also protect your privacy and personal information. The Smart Start Extended Day Program closes promptly at 6:00 pm. You should arrive a few minutes before 6:00 pm to allow your child time to gather their belongings.

ABSENCE

If a child is in the afternoon session and he/she is dismissed early from school, the Smart Start Extended Day Coordinator must be left a message regarding this. **No** adjustments are made in the tuition for absences. Please do not deduct absences or dismissals from your weekly payment; the balance will remain on your Smart Start Extended Day account.

ILLNESS

If a child becomes ill while at the program, a parent/guardian will be contacted for pickup. Children experiencing fever or vomiting will not be admitted to the program. Please do not send an ill child to school.

BREAKFAST

Children enrolled in the morning program will have breakfast each morning through the Nutrition program. Nutritious snacks are provided every afternoon.

WITHDRAWAL

A written notice of intent to withdraw your child from the program must be submitted to the Smart Start Extended Day Coordinator **TWO WEEKS IN ADVANCE** of the effective date. Likewise any decrease or increase in enrollment days must be submitted in writing **TWO WEEKS IN ADVANCE** of the effective date so that allowances can be made in the financial planning and scheduling of staff. The obligation to pay for these two weeks is unconditional.

SCHEDULES

Those children who participate less than five days per week will establish a schedule at the time of registration. Enrollment will be subject to availability.

SPECIAL NEEDS

In order to best care for your child, it is important that you share with the Smart Start Extended Day Coordinators any physical, cognitive, or emotional conditions, or other concerns that may affect your child's well-being and that of others at the Smart Start Extended Day Program. The Smart Start Extended Day Staff will do their best to accommodate your child or will assist you with seeking other options. We maintain a ratio of 13 children to 1 adult.

TOILETING

Your child **must** be toilet trained prior to enrollment in the Smart Start Extended Day Program.

MEDICAL ISSUES

Please advise the Smart Start Extended Day Program of any medical conditions that your child may have. A nurse, if available, will give medication during the summer and school vacation periods and holidays.

EXTENDED DAY BEHAVIOR POLICY

The Smart Start Extended Day Program follows the discipline code of the Brockton Public Schools Assertive Discipline Program. Behavior management is more likely to be successful if the strategies that are being used by the students' parents/guardians and the Smart Start Extended Day Staff are consistent. It is important for all parents/guardians and the Smart Start Extended Day Staff to work together to ensure a positive experience for your child/children. Students will clearly understand the rules, limits, and expectations of the Smart Start Extended Day Program. If you have questions regarding the behavior policies, please feel free to contact the Smart Start Extended Day Coordinator. We appreciate all constructive input and suggestions.

SUSPENSION, TERMINATION POLICY

Although children behave appropriately most of the time, there are occasions when children will “act out” in an unsafe manner. This may be due to circumstances beyond the child’s control that interfere with the child’s ability to trust his/her environment and feel safe and secure. Even though we may understand the reasons for the extreme behavior, we cannot accept this behavior. When a child exhibits this extreme behavior, measures must be taken to protect the child, the other children, and the program in general. These measures can include warnings, suspensions, and/or termination from the Smart Start Extended Day Program. Parents/guardians may be called in to conference with the Smart Start Extended Day Coordinators on duty or to pick their child up early. The Smart Start Extended Day Coordinators on duty shall make the determination for suspensions or terminations. If a parent/guardian wishes to question the action, the Coordinator of Extended-Day Programs may be contacted.

The following unacceptable behavior will require more stringent actions:

- HARMFUL VERBAL AND/OR BODILY BEHAVIOR TOWARDS SMART START EXTENDED DAY COORDINATORS, STAFF, STUDENTS, SELF OR PROPERTY
- ABUSIVE LANGUAGE
- LEAVING THE AREA WITHOUT PERMISSION
- DESTRUCTION OR MISUSE OF PROGRAM PROPERTY AND/OR SCHOOL PROPERTY
- DISRESPECT TO SMART START EXTENDED DAY COORDINATORS, STAFF OR STUDENTS
- CONTINUED DISRUPTIVE BEHAVIOR
- INTRUSION OF ANOTHER’S PERSONAL SPACE OR PROPERTY

ELECTRONIC GAMES/IPODS/CELL PHONES, ETC.

Children should NOT bring any electronic games, iPod’s, cell phones or devices to the Smart Start Extended Day Program. We want all children to actively participate in all classes, activities and events. Any such items brought into the program will be held by the Smart Start Extended Day Coordinators on duty and given to the parents/guardians at the end of the day. We are not responsible for the loss or damage to any such devices.
