Youth between the ages of 5-18

Community-based program application: [Individual application for community based programs](#)

Communities served: Brockton

Contact: Kelley Lane, 508-361-0323 and Kelley.Lane@djdreamfund.org

DJ Henry Dream Fund mission: The DJ Henry Dream Fund is committed to continuing DJ's love of sports and healthy lifestyles by providing Massachusetts kids ages 5-18 with the funding they need to participate in community-based programs.

Project Description: Due to Covid-19, many opportunities to participate in community-based programs have been canceled. The DJ Henry Dream Fund wants to continue serving requests for limited outdoor supplies that will continue to keep children active and engaged. We recognize the importance of supporting families with activities that reflect our mission, which removes financial barriers by providing financial assistance for ALL children to participate in healthy activities despite their economic abilities. In addition to providing financial assistance to programs when available, we have decided to provide \$5,000 in funding to provide healthy and wellness home-based equipment and supplies for youth to continue to engage in sports and arts during the Covid-19 restrictions.

Equipment and supplies eligible for funding requests

Outdoor equipment

- Bikes & Helmet
- Skateboard & Helmet
- Scooter & Helmet
 - [LaScoota](#)
 - [Helmet](#)
