The Community Schools Story

Brockton Community Schools was founded in 1970 to provide community education, enrichment and recreation opportunities to children and adults throughout the city. In the past four decades, it has grown and evolved, serving thousands of children and adults in a wide variety of programs, from basketball leagues to sewing courses, English As A Second Language Instruction, GED preparation, automotive repair, yoga and computer classes. Community Schools also provides highly successful vacation and before- and after-school academic and enrichment programs for Brockton children, providing safe spaces and caring adults 12 months a year.

A division of the Brockton Public Schools, Community Schools is operated and staffed by highly-qualified professionals from the educational, business, sports and arts communities. The office is open throughout the year, and suggestions for new programs and ideas for how to improve our offerings are always welcome.

Community Schools currently oversees four major programmatic areas: academic support and enrichment programs for students, continuing education and ESL services for adults, and recreation and enrichment programs for the community.

Dear Residents and Friends,

Welcome to the Summer Session of Brockton Community Schools. We have provided quality enrichment and educational opportunities to tens of thousands of greater Brockton residents for over 44 years, making it one of the most successful community education programs in Massachusetts. Our programs give children and adults an opportunity to have fun, learn and connect with their friends and neighbors in a relaxed setting.

Young students can have fun while developing motor and social skills in our Cooperative Sports and Games programs. Mini Day Fun Camp incorporates arts and crafts, movement and play. Students can choose from a variety of sports in our Get Ready program. Those students learning to swim or training to compete should join our Aquatics program. Budding actors will benefit from our celebrated Act One Scene 1 theater program, culminating in two productions at the end of the session.

Academic Enrichment camps are always popular. Elementary school students can choose reading or camps that provide hands-on learning and real life situations.

Summer School for Rising 9th Graders and High School students provides the opportunity to earn credits and improve skills and knowledge in various courses.

For adults we are offering an expanded Aquatics program this summer. If you are looking for an early morning workout in the pool, an evening swim class or an aqua exercise class, our highly trained instructors are there to help you reach your goals.

Whether you are a Brockton resident or a member of a neighboring town, we invite you to join us in experiencing the many program offerings available this summer.

Please visit www.brocktoncommunityschools.com to register online and for more information.

Join the fun this summer!

Sincerely,

Maxine Richardson

Director of Community Schools

Smart Start Extended Day Program

The Smart Start Extended Day Program is an academic and enrichment extension program offered that provides safe spaces, caring adults and a fun and interactive learning environment during the summer, school vacations and before- and after-school during the school year.

Staffed by certified teachers and other personnel, the Extended Day program is operated at 12 school sites during the school year, one school site during school vacations, and this summer will be held at the Dr. William Arnone School. This fee-based program is a value to many working parents who want to make sure that their children are not only having fun, but learning during out-of-school time. Vouchers are accepted through PACE.

During the summer, Smart Start Extended Day provides a relaxed environment where students continue to build upon their year-round education through fun activities, crafts and recreational opportunities. Special events, themed activities and field trips are held throughout the summer. Students in Grades K-3 can take advantage of visits to the Manning Swimming Pool. Participants in Grades 4-7 take part in the Get Ready & Aquatics Programs at Brockton High School this summer. Students identified in need of academic support will also receive instruction from certified teachers at no extra cost!

ADULTS

Aqua Exercise Combo

This isn't just any aqua exercise, it's a total body workout that includes energy-boosting, core conditioning, fat burning, cardiovascular and strength training. Each class will combine a deep water and shallow water workout, excellent for men and women of every level of fitness. Very low impact makes this ideal for those with arthritis or joint conditions. Monday and Wednesday evenings, 7:30 - 8:30 PM.

Adult Learn & Swim

Build confidence in the water and refine your swimming skills with this low-pressure, supportive swimming class. Our instructors are caring and patient who will help you become comfortable in the water and achieve your personal goals. Monday and Wednesday evenings, 6:15 - 7:15 PM.

These 10-week courses begin the week of July 6th and run through August 5th.

Registration: \$90.

Get Ready

Summer Sports Programs for Athletes Entering Grades 1-9

Get Ready sports camps offer a number of sports programs that build self confidence, encourage teamwork and develop new skills. Our programs are staffed by talented and motivated instructors who give young athletes an opportunity to have fun. Students will learn the fundamentals of their sport, take part in drills and compete in intramural games.

Youngsters take part in a variety of sports programs, including baseball, basketball, baton, soccer, tennis, cheerleading, golf, and gymnastics. New this year is flag football for students entering Grades 5-9. Please note: Baton is available Sessions 1 and 2, Golf is available Sessions 1 and 2, and Flag Football is available Sessions 3 and 4.
